

# Jesmond Dene Handicap 2001

This year the course was altered slightly due to one of the usual paths being unavailable. It is about 100m longer, but misses out a slight hill.

## 2001 Results:

Results below give the finishing position (and actual time) of each runner in each race. Runners are listed in order of the aggregates of their best three finishing positions. Those who have completed fewer than three races are listed below in alphabetical order.
