

# Jesmond Dene Handicap 2006

## Results:

Results below give the finishing position (and actual time) of each runner in each race. The series result is based on the aggregate total of each runner's best three positions. Runners who completed at least three races are listed first. Other runners are then listed in alphabetical order.

# Although Susan Haughan finished 95th in race 2, her score for the race was been adjusted as she was given the wrong handicap.
