

## Travelling to Newcastle High School for Girls Senior School

### By Metro

Our Senior School on Tankerville Terrace is approximately equidistant between Jesmond (around 400m) and West Jesmond (around 500m) Metro Stations.

### By Car

#### From the North via the A1

Leave the A1 southbound at the City North/Gosforth Park exit and via the B1318 for approximately 2.5 miles into Gosforth High Street.

Continue for a further 1.5 miles, crossing the Blue House roundabout and a set of traffic lights on the way. Keep to the left hand lane and immediately after the sign for A167 and Eldon Square turn left at a slip road sign-posted for prohibited traffic onto Clayton Road. After the shops, turn left onto Burdon Terrace and left again (also Burdon Terrace). Tankerville Terrace is the one on the right.

#### From the South via the A1

Leave the A1 western route and join the A167 northbound for the Tyne Bridge. Cross the bridge and continue straight on and through two underpasses.

Take the first slip road on the right signposted to A1058 Coast and East. Move into the left hand lane. At the traffic lights turn left onto Osborne Road and continue on approximately 400 metres to traffic lights. Turn left at the lights onto Clayton Road. Turn right onto Burdon Terrace then turn left (also Burdon Terrace). Tankerville Terrace is the one on the right.

#### From the West via the A69 and A186

Follow the A69 until you reach the Western bypass. Go Northbound on the bypass and take the Wideopen/Killingworth/Gosforth exit and follow the B1318 to Gosforth High St. Follow instructions as if coming from the North.

#### From the East (or North or South) via the A19

From the A19 take the A1058 eastbound. Travel four miles to reach the traffic lights at the Corner House. Carry straight on then pass through a road tunnel. 400 metres beyond the road tunnel you will reach a traffic light controlled Y junction.

Stay on the A1058 (bearing right at the Y junction). Take the right hand lane and travel for a further 400 metres to reach two sets of traffic lights placed close together. Cross the first and turn right at the second onto Osborne Road (B1309). After 400 metres turn left at traffic lights onto Clayton Road. Turn right onto Burdon Terrace then turn left (also Burdon Terrace). Tankerville Terrace is the one on the right.
